Welcome to your Step-By-Step Guide for the Asian School of Cyber Laws Online Contact Classes!

The following are some instructions that are intended to help you make the most of our Online Contact Classes. It is **strongly recommended** that you adhere to them:

A. Ensure you have a stable electricity and internet connection.
   1. You need to have a minimum of 360 kbps upload and download speed for a comfortable/smooth experience.
   2. For all mobile phones (Android & iOS), Computers/laptops (MAC & Windows), download or update Google Chrome to the latest version.
   3. Please be advised if you do not have the above, you will NOT be able to access the Contact Class.

B. **This part is relevant for all participants who plan to access the live class using a laptop/computer:**

   1. Log into your registered Email ID from your mobile phone to access the Live Class. You would have received an email from Asian School of Cyber Laws with the subject line 'ASCL Online Contact Class Guide'.
   2. The email will have 2 links:
      a. Tokbox: Use the link in the email to check if your device and internet connection are suitable for the class. The link will look something like this: https://tokbox.com/developer/tools/precall/
      b. When you click on the link it will take you to the following page:

c. Click on Run Test.

d. For this class you only need to receive the audio and video. You do **NOT** need a *Webcam* or a *Mic* on you device.   If your web browser is up to date and supported, you will see the following image:
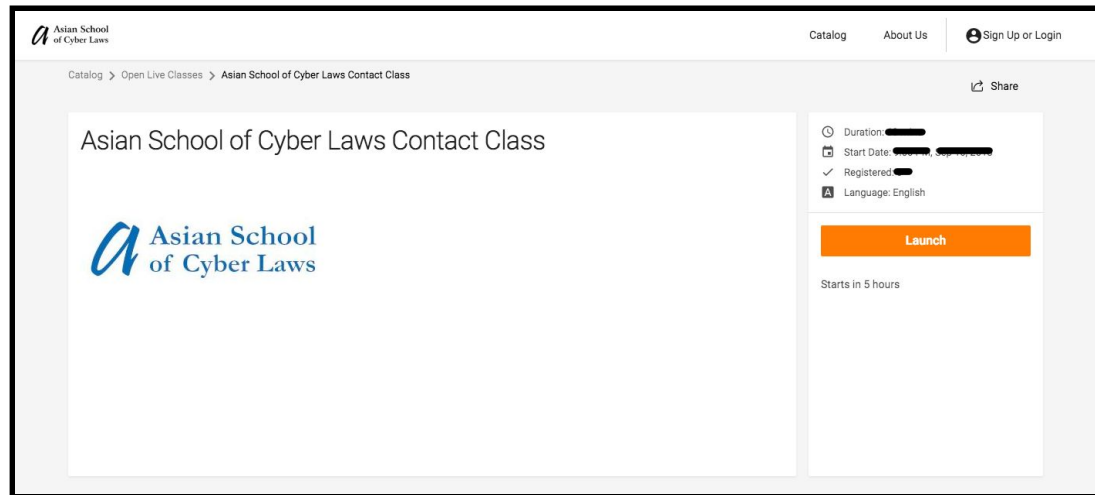

e. Once you have checked the compatibility of your web browser go back to the email and click on the 2nd link. Tis link will look something like this:
